I undertake and accept full responsibility for:

- (I) the rational design in respect of the above project for the applicable temporary structure, and for the inspection of the work during construction/installation at intervals in accordance with accepted professional practice to check compliance with the approved design;
- (ii) providing the local authority with such drawings, details and particulars as are and may be required by these regulations;
- (iii) notifying the local authority in writing should:
 - (a) it appear that any work is being carried out in a manner which may endanger the strength, stability and serviceability of the building or any adjoining building, structure or property,
 - (b) my appointment be terminated before the work for which I was appointed is complete, and
- (iv) submitting to the local authority on completion of the work contemplated in Section 3, a certificate in terms of Section 14(2A) of the National Building Regulations and Building Standards Act, Act No 103 of 1977.

* Delete where inapplicable
