LEARNING
without limits

WELCOME TO Bett Asia 2026!

Duncan Verry
Portfolio Director, Bett

Welcome to Bett Asia 2026! We're delighted to be back in Kuala Lumpur bringing together the people, ideas and innovation shaping the future of education across Asia and beyond. This year, our theme is Learning Without Limits, a celebration of what becomes possible when we break down barriers, embrace new ideas and create more opportunities for everyone to learn, grow and thrive. That spirit is at the heart of Bett Asia. It's a place where educators, policymakers, innovators and solution providers come together to share what's working, tackle the challenges that matter and explore what's next for education across the region. Over the next two days, you'll have plenty of opportunities to learn, connect and be inspired. From big conversations about policy and the future of education to practical ideas and technologies making a difference in classrooms today, Bett Asia is designed to help turn conversations into meaningful action. Whether you're here to discover new technology, build partnerships, grow your presence in the region or simply come away with fresh ideas, we hope you make the most of everything Bett Asia 2026 has to offer. Through carefully curated content, meaningful networking and perspectives from across the region, this is our opportunity to learn from one another, challenge what's possible and create a future where learning truly has no limits. We're so pleased to have you with us. Here's to two days of new ideas, new connections and a shared ambition to drive better education, globally.

This year's theme **LEARNING WITHOUT LIMITS**

LEARNING
without limits

Education is Southeast Asia's greatest promise, unlocking potential, bridging divides and powering progress. Across the region, educators and leaders are expanding access, accelerating innovation and reimagining how learning reaches millions. Learning Without Limits is more than a theme. It's a call to action.

At Bett Asia, we bring together the people turning ambition into impact and shaping what comes next. This is Southeast Asia's moment to think bigger, reach further and create new possibilities for learning. Together, let's make 'Learning Without Limits' a reality.

OPENING TIMES

23 September 2026

- Exhibition: 09:00 – 18:00
- Conference: 08:45 – 17:00

24 September 2026

- Exhibition: 09:00 – 17:00
- Conference: 09:00 – 15:30

PLANNING AHEAD

Make sure you have registered for the show and printed off your badge before arriving. You will receive your badge via email the week before Bett Asia. There will be limited opportunities for you to do this onsite.

ACCESSIBILITY

Just as accessibility and inclusion in the classroom are key priorities for the EdTech community, we too are committed to providing meaningful learning experiences for all visitors at the show. [Click here](#) for more on accessibility at Bett Asia 2026 or [get in touch](#) with our team.

HOW TO MAKE THE MOST OF YOUR EXPERIENCE!

HOW CAN I JOIN?

Download the event App

The Bett Asia 2026 app is full of useful information and planning tips to make the most of your event experience.

View the agenda

With so many incredible sessions on offer, you can plan your day by viewing the agenda on the app or online. We'd recommend using the app so you can create a personalised schedule.

TableTalks **Brand-new for 2026!**

Following its success at Bett UK, TableTalks is coming to Bett Asia 2026. Connect with peers from schools, universities and governments through six roundtable discussions based on shared topics of interest. It's your opportunity to exchange ideas, collaborate and build connections with like-minded education leaders.

Tech User Labs

Brand new training, tutorials and working groups, where technology users will learn directly from the top education technology experts in the world.

Educator x EdTech Exchange (ExE)

Take part in intimate roundtable discussions between Educators and EdTech Providers. This is your chance to give direct feedback and make impactful improvements to the tech you use on a day-to-day basis.

Women in EdTech Mentoring Circles

Leading females from across the SE Asia region will host 30-minute sessions on strategy, insights, advice and their experiences as women within this field

Don't delay, secure your place on our programmes today!

Tech User Labs and Women in EdTech Mentoring Circles are first come first serve and are expected to fill up fast so make the most of your time at the show by signing up on our app.

WOMEN IN EDTECH

Bett Asia is proud to champion the voices of women driving change in education. Our Women in EdTech platform spotlights innovation, builds community and inspires the next generation of female leaders. We do this through a number of key initiatives.

The **Bett Asia EdTech 10 list** is a regional initiative that highlights the remarkable work and success stories of women transforming the EdTech landscape in the Southeast Asia region. The finalists are welcomed to the Mandarin Oriental Hotel in Kuala Lumpur, Malaysia, on 23-24 September, where we can celebrate and spotlight their achievements in our Classroom Theatre.

**Women
in EdTech**

We're proud to host our **Women in EdTech Mentoring Circles** for another year. An intimate space designed to empower, connect and inspire. Across a number of group sessions women working in EdTech will have the chance to share experiences, ask questions, and learn from one another. Book your spot on the app to take part in these powerful peer-to-peer conversations and build lasting connections within the community.

INITIATIVES

At Bett Asia 2026, we're shining a spotlight on creativity, collaboration and achievement across the region with the Bett Asia Schools Challenge and the Bett Asia Awards better education, globally. These are the content themes we will use to power our mission...

BETT ASIA SCHOOLS CHALLENGE

The **Bett Asia School Challenge** invites students to step into the role of changemakers, tackling real-world challenges with fresh ideas and innovative solutions. It's a celebration of student voice and creativity, empowering the next generation of leaders to shape the future of education and beyond.
