

# DO YOU NEED BOOTH CLEANING SERVICES?

**SCAN NOW**

Our booth cleaning services at the GRB include vacuuming, mopping, shampooing booth carpet, porter services as well as barrel emptying. The emptying of wastebaskets is included with all cleaning services. To better serve you & eliminate any misunderstanding regarding payment, please bring any questions to our immediate attention. Adjustments cannot be made unless deficiencies are reported at least one hour before show opening.

Please note: The George R. Brown Convention Center is the exclusive in-booth cleaning contractor. No other cleaning services will be allowed on the exhibit floor.

To request booth cleaning services, please select your event below. If you do not see your event listed, please call or email.
