The image shows a mockup of the 'My Team' interface. At the top right, there is a logo with a green 'B' and the text 'My Team'. Below this is a navigation bar with the following items: Meetings, Inbound Leads, Company Chat, Contacts, Team Members, Company Profile, Product, and Export. Each item has a green dot below it, which is connected by a vertical line to a callout box. The callout boxes contain the following text:

- Meetings:** Optimize your team's time at Breakbulk Americas 2024 by consolidating all meeting requests, both sent and received, into one unified calendar.
- Inbound Leads:** Review Inbound Leads: any event participants who have expressed interest in your company, products, content, or colleagues.
- Company Chat:** Respond to participant inquiries that have been sent to your company's profile.
- Contacts:** Contacts are **qualified** Inbound Leads. Qualify an Inbound Lead one of two ways: anyone from the company having an accepted meeting or showing mutual interest in the profile.
- Team Members:** The first representative of a company becomes the Admin of My Team. Admins can manage their Team's profiles on their behalf and can upgrade their colleagues to Admin.
