

BOOTH CLEANING SERVICE

The George R. Brown Convention Center is the exclusive in-booth cleaning contractor. No other cleaning services will be allowed on the exhibit floor. To better serve you & eliminate any misunderstanding regarding payment, please bring any questions to our immediate attention. Adjustments cannot be made unless deficiencies are reported at least one hour before show opening.

To request booth cleaning services, please scan QR code and select your event. If you do not see your event listed, please call or email.
