

WELCOME TO HOUSTON

VISITING HOU SAFELY

Houston welcomes a safe return to travel which includes social distancing, hand washing, face covering and other preventive measures. In Houston, many businesses are now permitted to open at a limited capacity including restaurants, bars, retail, salons, museums and attractions. For more specific information, visit the [State of Texas](#), the [City of Houston](#) and the [Centers for Disease Control and Prevention \(CDC\)](#) resource pages.

Additionally, here are some tips and further information to make your next trip to Houston a smooth and safe one.

Airports & Air Travel

For the most up-to-date information on domestic and international travel restrictions, visit the [Texas Department of State Health Services](#) and [U.S. State Department](#) travel pages. For updated TSA travel guidelines, visit the [TSA COVID-19 information page](#).

FLYSAFE HOUSTON

[George Bush Intercontinental Airport \(IAH\)](#) and [William P. Hobby Airport \(HOU\)](#) have made several enhancements to their facilities and cleaning procedures to protect travelers and employees. Learn more about their FlySafe Houston commitment [here](#).

Tip: KNOW BEFORE YOU GO

MASK UP. Travelers are strongly encouraged to wear face coverings inside Houston Airports at all times.

EXTRA CLEAN. TSA now allows one liquid hand sanitizer container, up to 12 ounces per passenger, in carry-on bags. This container will need to be screened separately from other carry-on liquids.

Transportation

Houston METRO, rideshare services and other companies are taking preventative action to protect passengers and drivers. Be sure to verify updated safety policies with individual operators.

METRO

Safety measures have been implemented to encourage social distancing on local bus routes, light rail, Park & Rides and METROLift. Learn more about the measures, including service modifications, [here](#).

UBER

[New safety measures](#) include verification of face coverings for all riders and drivers. Learn more about Uber's COVID-19 response [here](#).

LYFT

Lyft's [Health Safety Program](#) requires face masks for all riders and drivers. Learn more about their COVID-19 response [here](#).

YELLOW CAB

Face masks are required for drivers, and plastic dividers have been added to all cabs for additional safety.

Hotels

Houston’s hotel and hospitality community is committed to ensuring the safety and well-being of its guests and employees. In addition to following industry-wide [Safe Stay guidelines](#) from the [American Hotel & Lodging Association](#), many hotel brands are implementing further safeguarding initiatives. Learn more below, or explore the [Visit Houston hotels page](#) for additional lodging options.

- [Best Western](#)
- [Choice Hotels](#)
- [Drury Hotels](#)
- [Hilton](#)
- [Hyatt](#)
- [IHG Hotels & Resorts](#)
- [Marriott](#)
- [Motel 6](#)
- [Omni Hotels & Resorts](#)
- [Red Roof](#)
- [Valencia Hotel Group](#)
- [Wyndham Hotels & Resorts](#)

GEORGE R. BROWN CONVENTION CENTER

George R. Brown Convention Center

The [George R. Brown Convention Center](#) has taken proactive measures in response to COVID-19. Read the GRB’s [Special Message on COVID-19](#) and learn more about their [Health & Safety Plan](#).

GEORGE R. BROWN CONVENTION CENTER

Restaurants

Houston bars and restaurants are now open for limited dine-in capacity, and many also have carry-out, curbside or delivery options available. To ensure everyone’s safety as Texas continues to open and more guests are welcomed into dining rooms, the Texas Restaurant Association has created [The Texas Restaurant Promise](#). Explore [dining options](#) on the Visit Houston website, and be sure to verify hours and policies with individual establishments before your visit.

Attractions & More

Houston has something for everyone and offers many attractions unique in size, space and community interaction. Get ideas for [things to do](#) on the Visit Houston website and make the most of your experience with [Marketplace passes](#). Be sure to verify hours and information with individual businesses before your visit.

Tip: **PRACTICE SAFETY PRECAUTIONS**

Practice responsible distancing

Wear face coverings in public

Cover coughs and sneezes

Wash hands often

Avoid touching your face
