

# SAFETY FIRST PLAN

## CREATING SAFE & SUCCESSFUL LIVE EVENTS IN A COVID WORLD.

Changes are taking place at our events.  
**With Shepard, You Can.**

To support the production and maintenance of clean and healthy environments—both at Shepard offices and event sites—we've implemented a series of solutions and standards for all associates and event personnel.

### Our Commitment!

Shepard is committed to partnering with our facility, organizer and vendor partners to implement an enhanced safety environment.

#### Masks Required

Associates and union personnel are required to wear a mask while working at Shepard offices and event sites.

#### Health Screening

Associates and union personnel are required to complete a daily health screening before reporting in for work.

#### Temperature Check

Shepard is conducting a temperature check for all personnel entering Shepard offices and event sites.

#### Hand Hygiene

Personnel are required to follow hand hygiene protocols placed in all restrooms and break areas.

#### Safety Signage

Shepard signage with health and safety reminders are placed at entrance and exit points.

#### Hand Sanitizing Stations

Hand sanitizing stations are placed at Shepard check-in areas and work stations.

#### Exhibitor Service Center

Area has enhanced safety measures, including sneeze guards to protect customer service associates and customers during all interactions.

#### Daily Safety Briefings

We have incorporated COVID-19 preventative practices into existing daily safety briefings.

#### Social Distancing/No Contact Rule

Personnel is encouraged to keep a distance of at least 6 feet away from other associates in all areas. Please refrain from physical contact greetings.

#### COVID-19 Training

All associates are required to complete training and courses on COVID-19 safety and infectious disease prevention.

#### Team Meeting Areas

General meeting areas will follow social distancing guidelines and any additional preventative measures.
