WHY EXHIBIT?

MEET DECISION-MAKERS

As an exhibitor, you'll meet face-to-face with project owners, EPCs, industrial manufacturers and global project forwarders—the people who decide which service providers get the next contract. Share your services and your expertise directly with buyers, making the connections you need for new business.

INCREASE BRAND AWARENESS AND LAUNCH NEW PRODUCTS

At Breakbulk Americas, the exhibitor experience is more than a stand on the floor. Our marketing team supports your participation from the moment you sign your contract, which means the earlier you sign, the more marketing exposure you will receive.

TESTIMONIALS

Susan Ann Gilbertson
Managing Director
Fab Freight Ltd (UK) & Fab Freight South Africa

"Attending Breakbulk Americas was absolutely worth the trip from Africa. I was overwhelmed by the depth of industry expertise and the sheer number of quality connections I made in person. From barge operators to oversized transport specialists, I found a network of reliable partners we had struggled to locate even through online platforms. The event was not only incredibly valuable from a business standpoint but also a lot of fun – a perfect mix of learning, networking, and great people. Definitely worth the travel, the expertise, and the experience."

Kenneth Anga
Business Development Manager
Noramco USA

"Breakbulk Americas 2025 was incredibly valuable. The conference was highly informative, providing deep insights into the latest industry developments, and served as an outstanding platform for establishing many useful new professional contacts. A highly recommended event for any logistics professional."

Matthew Monteiro
Director of Business Development
Bragg Companies

"It's expanded over the years... and as this event's grown, as our company has grown, it's just been imperative to the relationships that we've built, all the way from vendors to clients to business partners to new technology, so it's very, very important to us every year to be here."

Joey Frederick
Business Development
Toplift North America

"There's a lot of people here, that's first and foremost. Just simply the scale of people here, quality of decision-makers, makes it worthwhile. We have the fourth largest container port in the world and a lot of that tonnage includes breakbulk. So there's a lot of breakbulk opportunities in the Gulf that are all manifested here."

THE VALUE OF BOOKING NOW

A NEW ERA FOR BREAKBULK AMERICAS: SAY GOODBYE TO PIPE & DRAPE

Breakbulk Americas is entering a bold new chapter – starting with the exhibition floor.

We're retiring pipe and drape stands and introducing a premium Matrix stand build for 2026 and beyond. This move isn't just about aesthetics, it's a strategic upgrade that benefits exhibitors, enhances the attendee experience, and positions the show for long-term growth.

And for the first time ever, carpet and power will now be included as standard.

WHY THE CHANGE?

The current layout no longer reflects the quality of the businesses represented or the global calibre of our audience. This all-in-one package delivers a seamless, hassle-free booth experience without the need for any add-ons.

WHAT'S IN IT FOR EXHIBITORS?

Stronger Brand Impact:

Matrix stands offer a sleek, unified look. With modular walls, elevated signage, upgraded finishes, and now, included carpet, your booth will stand out and so will your brand.

Better Experience = Better

ROI: A modern, cohesive floorplan creates a better environment for business. The upgraded visual experience increases attendee dwell

time, encourages deeper engagement, and ultimately boosts ROI across the board.

Future-Ready Platform:

This change is part of a broader investment in transforming Breakbulk Americas into a world-class experience that keeps pace with evolving industry expectations and gives your brand the platform it deserves.

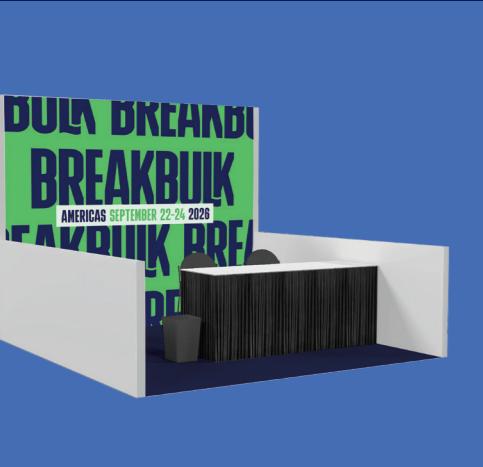

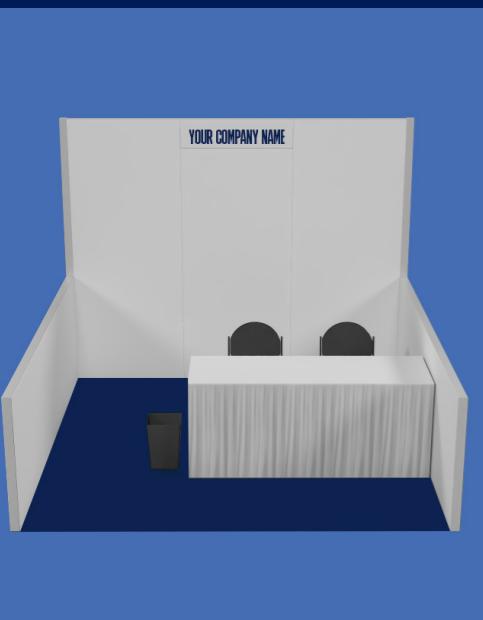

WANT TO TAKE IT EVEN FURTHER?

We're also launching an optional upgraded stand build package, designed to help exhibitors elevate their presence and make taking part easier.

The package includes:

- Branded wall graphics
- Priority listing in the event app

It's the perfect turnkey solution for exhibitors who want to make a bigger impact and attract more attention on the show floor.
