

MIDDLE EAST

4-5 FEB 2026

Dubai World Trade Centre, Dubai

Breakbulk's fastest-growing event is backed by state-run and private project owners, offering direct access to key decision-makers across the Middle East and resource-rich African nations. Government ministries, oil & gas companies, and top EPCs hold the keys to major contracts - and Breakbulk Middle East is where you meet them.

GLOBAL EVENT PARTNERS

If you do business in more than one region in the world, your marketing program should reflect your coverage. Each **Breakbulk event** is designed to support your business goals, and together, our four events – in **Dubai, Rotterdam, Houston and Singapore** – offer **worldwide exposure** throughout the year. We invite you to become a **Global Event Partner** to maximize your reach to the decision-makers who matter for new project cargo business.

As a **Global Event Partner**, your elevated status opens the door to a host of **marketing opportunities**. GEPs receive targeted, more frequent exposure to the Breakbulk community before, during and after each event. In fact, GEPs are a big part of our Breakbulk365 initiative with top priority for editorial and event coverage in our publications and digital products.

To achieve GEP status, your company (or one of its entities) must participate in **three or more Breakbulk events** within a 12-month period as an exhibitor, a sponsor* or both.

GEP BENEFITS

(Exhibit or Sponsor at **THREE** shows)
