

# BREAKBULK

ASIA 18-19 NOVEMBER 2026

## BREAKBULK ON THE RISE

Breakbulk on the Rise offers ambitious start-ups and growing businesses an affordable way to gain powerful exposure. Launching in Singapore – Asia's financial and maritime hub – Breakbulk Asia is where major project contracts take shape, new partnerships form, and business gets done.

Located in a high-traffic area, this shared pavilion lets you elevate your brand, connect with key decision-makers, and generate leads – without the cost of a traditional stand. Network, showcase your services, and grow your business on your terms.

### WHAT'S INCLUDED:

#### Prime Location

You'll be positioned within a dedicated shared pavilion, clearly highlighted on the official floorplan to attract visitor attention.

#### Kiosk Setup

Each participant will have a fixed kiosk that includes:

- A counter with space for your company logo signage
- Two stools and one table for meetings and networking
- Basic utilities: 3kW of power (two plug sockets) and a spotlight
- Daily stand cleaning for a polished, professional look

#### Marketing Support

Your company will be listed in the official Breakbulk Asia exhibitor directory – both on the website and mobile app – putting your brand in front of thousands of industry professionals.

#### Event Access

Your package includes two exhibitor passes for Breakbulk Asia 2026, covering access to both the exhibition and conference. Need more passes? Additional tickets can be purchased at a discounted rate.

### REASONS TO PARTICIPATE:

- Cost-Effective Visibility
- High-Traffic Location
- Professional Setup Made Easy
- Enhanced Brand Exposure
- Access to Key Decision-Makers
- Flexibility to Walk the Show
- Ideal for First-Time Exhibitors

**This package is an excellent step up from attending as a visitor, providing a presence at the event without the costs and commitments of building your own stand. You can walk the show freely, leaving your kiosk unattended when needed.**
