TESTIMONIALS

**Samuel Semple,
Group Pricing Manager for Ocean
Freight, Bertling Logistics**

“Breakbulk is about great networking – we get to put our name out there and approach new customers. It is a very lively event, the biggest Breakbulk event, and actionpacked.”

**Luz Marina Espiau,
Moreno Chief Commercial and Marketing
Officer, Port of Tenerife**

“What makes this event unique is its ability to bring together a diverse group of global professionals under one roof, providing an unmatched platform to discuss challenges and opportunities in the breakbulk and project cargo industry. This year, our focus was on highlighting the recent development of the Port of Granadilla as a key logistical hub for renewable energies and offshore operations, which generated significant interest and opened several doors for future initiatives.”

**John Pittalis,
Head of Marketing and Communications,
AAL Shipping**

“Shipping is a global industry, with all of our supply chain partners based around the world. So it’s hugely important for us to have opportunities where we can have some face-to-face time. Breakbulk Europe represents one of the best opportunities within our sector to do exactly that and we appreciate all Breakbulk’s efforts to put this extremely strong event together.”

**Garnaud Tsika,
Commercial Manager,
Allelys**

We’ve been coming here for years and that’s not going to change any time soon. The show gets bigger as we get bigger – it’s the place to be for networking. We get to see so many of our clients all in the same place at the same time.
