The Global Events for Coil Winding and Electrical Manufacturing

Connecting the world of electrical manufacturing through CWIEME Berlin and CWIEME Shanghai.

CWIEME

BERLIN

SHANGHAI

CWIEME is the leading global event series for the coil winding, transformer, electric motor, generator, and e-mobility sectors. Our events in Berlin and Shanghai provide unparalleled access to cutting-edge innovations, business opportunities, and industry-leading networking in the heart of Europe and Asia.

Global Stats:

15,300+

Attendees Meet professionals from all around the world

880+

Exhibitors Worldwide: Engage with industry leaders showcasing the latest in technology and manufacturing

95+

Total number of countries represented

120+

Expert Speakers: Industry thought leaders share insights on cutting-edge trends, technological innovations, and future growth

Key Highlights:

Based in Asia-Pacific and Globally Connected: CWIEME Shanghai unites industry professionals across APAC, showcasing the latest in electrical manufacturing advancements.

CWIEME Berlin: Europe's leading event for coil winding and electrical manufacturing, driving unparalleled innovation and networking.

Executive Conference: Exclusive sessions for C-level executives to explore industry trends and strategies in the EV motor supply chain.

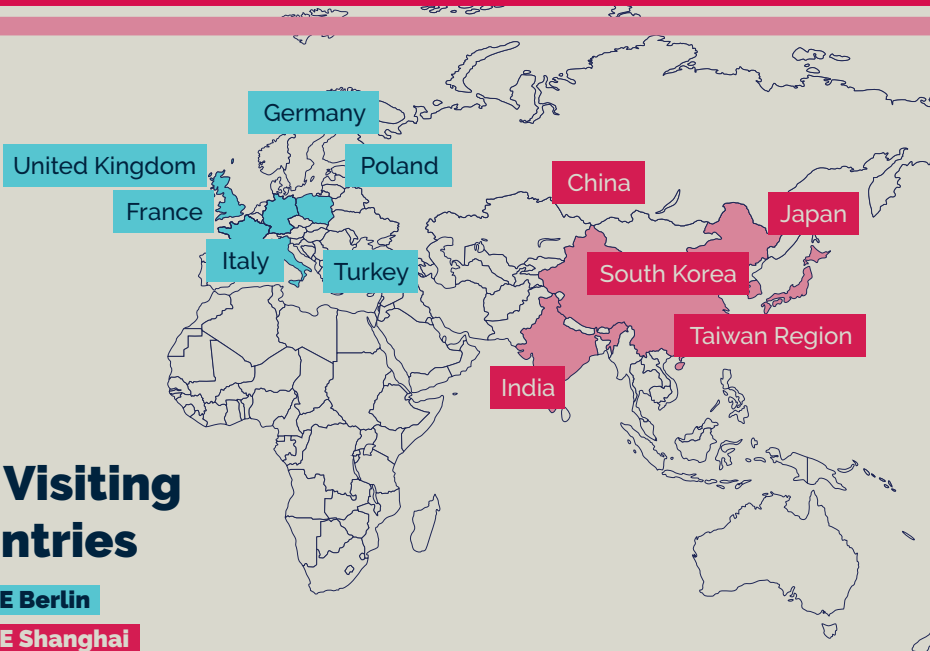

EV Motor Innovation Hub: Both events present cutting-edge EV motor technology, solidifying their role in advancing e-mobility.

Connect @ CWIEME: Our programme connects thousands of industry leaders, facilitating lead generation, client engagement, and product showcasing.
