"For Bosch, CWIEME offers a meeting spot for the whole world to come together and find the right partners, suppliers and customers to create and market electric motor products."

Francis van der Sluis,
Senior Engineer, Bosch Transmission Technology B.V.

Central stage

Most attended session:

Optimization of Laminated Stack
for Electric Motors in Electrified Vehicles

Speaker: Francis van der Sluis, Senior Engineer,
Bosch Transmission Technology B.V.

E- Mobility stage

Most attended session:

Latest Epoxy Resin Innovations for
Mass Production of Magnet-Free Rotor
Designs

Speaker: Dr. Massimiliano Balboni, Sales Leader
Automotive (Composite & E- Mobility), Huntsman
Corporation

Testimonials

"I had the privilege of participating in CWIEME Berlin 2024, and it was an exceptional experience. The event brought together industry experts from various sectors, creating a vibrant event for knowledge sharing and networking."

"I was impressed by the variety of companies and technologies displayed at CWIEME and enjoyed the depths of discussions around presentations."

Dr. Wulf-Peter Schmidt,
Chair Technical Sustainability Management,
CBS International Business School |
Former Director Sustainability, Ford Europe

The insightful presentations and engaging discussions truly showcased the best in the field. The organisers did an outstanding job of ensuring a valuable and enriching experience for all attendees.

"As a Buyer there are no limits, and every year CWIEME surprises us and has everything to offer, we have almost all our regular suppliers with whom we work shoulder to shoulder on regular basis and we come out here to meet them face to face, but every year CWIEME has new things to offer and every year we get to know about new products, companies market tendencies it has a lot to offer."

I highly recommend CWIEME Berlin to anyone looking to stay at the forefront of industry trends and connect with top professionals. I'm eagerly looking forward to the next edition in 2025"

Ahmed Selema, PHD,
E-Motor Technologist,
Ghent University| USP3D

Noushad Aziz Charania
Purchasing and Logistic Manager, IMEFY SPAIN
