

CWIEME BERLIN

Transformers | Motors | Generators

27-29 APRIL 2027

● A Hyve Event

Special offer for first time India Exhibitors at CWIEME Berlin 2027

- Need help to grow your export market?
- Targeting international transformer manufacturers?
- Looking for the most cost-effective way to achieve the above?

Two exclusive first-time offers: Choose the stand size that fits your ambition

First time exhibitors at a CWIEME Berlin show, next edition April 27-29, will enjoy the benefits of:

- 12 sqm for the price of 9 sqm
- Save up to 25%
Best for exhibitors who want a bigger, more visible presence to command attention on the show floor.
- 9 sqm for the price of 6 sqm
- Save up to 30%
Ideal for first-time exhibitors testing the European market with the lowest possible entry cost.

Both offers include the standard Shell Scheme Package

Standard Pricing

Shell Scheme	Open Sides		
	1	2	3

CWIEME BERLIN

Transformers | Motors | Generators

27-29 APRIL 2027

● A Hyve Event

Why now? The world needs what Indian manufacturing builds.

European grid modernisation, data-centre power demand and electrification are rewriting global procurement — and buyers are actively sourcing new suppliers.

- **5,981** visitor footfall
- **435** exhibitors
- **11,692** community footfall
- **85%** of our Engineering, Procurement and R&D attendees are involved in purchasing decisions
- **25%** of the overall CWIEME Berlin audience serve the transformer manufacturing market
- **77 countries** where our transformer manufacturing attendees came from
- **8.1 million** (€) is the collective budget to spend of attendees from this market
