

**PRESIDENTE**

**AEP – Associação Empresarial de Portugal  
Portuguese Business Association**

**Salutation Message**

On behalf of AEP - Portuguese Business Association, Chamber of Commerce and Industry nationwide, I would like to send a message of encouragement to the organizers, participants and visitors of the 26th edition of the Mosbuild 2021 International Construction, Building Materials and Interior Decoration Fair.

I would also like to extend a word of thanks to the Organization of the TradeFair for the courage to organize another edition, in this very unusual year where the world economy is going through one of its darkest periods due to COVID-19, but with the collaboration and commitment globally, I am sure that we will move beyond this phase.

AEP organizes the national presence of Portuguese companies in this large and prestigious event for the 14th consecutive year. This event, which annually brings together the main manufacturers of construction materials from different countries in the world, plays an important role in promoting and increasing exports of Portuguese products to the world and Russian markets, promoting the Made in Portugal brand and strengthening trade and economic ties between Portuguese and foreign entrepreneurs.

I would like to thank the Hive Expo International LLC team for these 14 years of cooperation and support, and I am convinced that we will continue to develop a strong bilateral approach.

We wish all exhibitors and visitors at Mosbuild 2021 productive work, constructive dialogues, new ideas and great success in business development.

I take this opportunity to invite you to visit the Portuguese representation at Mosbuild.

**Luís Miguel Ribeiro**
