The current pandemic situation has affected almost every aspect of our work. We will help in the fight against the pandemic for Pharmaceuticals. The process is not easy, but everyone is working together.

Both the Chinese and the Vietnamese are working on a scale one can only imagine. China has the pharmaceutical industry, but Vietnam has the factories. Vietnam has factories but China has the pharmaceutical industry. This is a serious challenge for us. The Vietnamese are working on a scale one can only imagine, and the Chinese are working on a scale one can only imagine.

A recent survey conducted by the Ministry of Industry and Trade and the Ministry of Health showed that the Vietnamese industry is facing a number of challenges. The Vietnamese are working on a scale one can only imagine, and the Chinese are working on a scale one can only imagine.
