

14th International Specialised Forum

PHARMTECHPROM Conference Hall L

20.11.2019

10.30–13.30

Session A – Raw materials and pharmaceutical ingredients

*Moderator: Sergey Skvortsov,
ELEMENTOORGANIKA (Russia), Managing Director*

- 10:00-** Registration of participants
- 10:25** Welcome address by organizers
- 10:30-11:00** **Liquid and soft drugs formulation development with Super Refined excipients, eliminating instability and impurities issues**
Olesya Vereschagina, LLC Croda RUS (Russia), Life Science Sales Representative
- 11:05-11:35** **Pharmaceutical ingredients: optimization of production from press to coater**
Alexandra Voskoboynikova, CJSC FPK PharmVILAR (Russia), Deputy General Director for International Economic Activity
- 11:40-12:10** **Development of mucoadhesive drug delivery systems with Carbopols®**
Engin Sari, IMCD (Russia), European technical product manager
- 12:15-12:45** **Formulators' tools to meet the requirements of contemporary drugs development**
Renat Kashapov, Merck (Russia), API and formulation manager
- 12:50-13:20** **Digital assistant for formulation development**
Nadezhda Romanova, BASF (Russia), Technical Sales Representative
- 13:20-13:30** Discussion
- 13:30-14:00** Networking break

20.11.2019

14.00–17.00

Session B – Technologies and equipment for pharmaceutical production

Moderator: Natalia Pyatigorskaya, Institute of Translational Medicine and Biotechnology, Deputy Director for Science, I.M. Sechenov First Moscow State Medical University (Sechenov University), Head of Chair of Industrial Pharmacy, Pharm. D., Professor, Expert

14:00-14:30 **Isolators for Chemical and Pharmaceuticals application: Process Equipment integration into HPAPI's containment system**

Stefano Butti, F.P.S. Food and Pharma Systems srl (Italy), Sales Director

14:35-15:05 **Gentle processing of ampoules and vials: One machine fits all**

Tobias Göttler, Robert Bosch Packaging Technology GmbH (Germany), Global Product Manager Liquid Filling Technologies

15:10-15:40 **Handling from Powder and Liquid in the Pharmacy**

Jakob Jenner, MÜLLER GmbH (Germany), Area Sales Manager

15:45-16:15 **Suspension adaptation and process development of Multipotent Mesenchymal Stem Cells for cell therapy applications**

Quentin Vicard, Sartorius Stedim (France), MSC & MBA Technology Expert Regenerative

16:20-16:50 **High-throughput glycan screening of crude and purified samples**

Sergey Irkhin, Dia-M LLC (Russia), Senior manager of promotion department

16:50-17:00 Discussion & closing remarks

21.11.2019

10.30–13.30

Session C – Packaging equipment and materials

Moderator: Vladimir Stolypin, Erecton (Russia), Production Director, Ph.D.

10:00- Registration of participants

10:25

10:30- **New trends in primary packaging. Child safety**

11:00 *Ms. Janny Hsing, Bona Pharma Packaging (China), General Manager, Overseas Division*

11:05- **New solutions for a vital process: Implementing aseptic filling with Ready-to-Use molded glass vials**

11:35

Rasa Krivickiene, UAB "LS Consult" Powered by SGD Pharma (France), Head of Sales for

11:40- **Packing trends for Biologic Drugs**

12:10

Dr. Wenzel Novak, Gerresheimer AG (Germany),

12:15- **Ready-to-use packaging solutions to transform injectable drug manufacturing**

12:45

Larissa Ostroukh, SCHOTT AG, Pharmaceutical Systems (Russia), Area Sales Manager, Russia & CIS

12:50- **Sympfity®, an award-winning innovative oral delivery system for distribution of multiparticulate drug formulations**

13:20

Tamas Öri, Röchling Medical Neuhaus GmbH & Co. KG (Germany),

13:20- Discussion

13:30

13:30- Networking break

14:00

21.11.2019

14.00–17.00

Session D – Auxiliary processes in pharmaceutical production

Moderator: Oleg Spitsky, Biopharmproject (Russia), Quality System Manager, GMP Expert; State Institute of Drugs and Good Practices, Specialist of engineering and design department

14:00-14:30 Lifecycle Management of design and implementation of a new pharmaceutical production

Zdenek Pavelek, FAVEA (Czech Republic), Quality Director

14:35-15:05 Global revision of EU GMP and ISO PPE. What will we consider when choosing cleanroom garments and gloves

Vyacheslav Ryadinsky, Ansell (Russia), SC "Chemical, PU, LSE"

15:10-15:40 Review of regulatory requirements for cold chain ambient conditions monitoring. Hardware and software solutions

Bulat Salikhyanov, Testo Rus (Russia), Key account manager Pharma

15:45-16:15 21 CFR part 11 compliant automation of quality control to reduce costs in pharmaceutical

Ekaterina Shakh, Beckman Coulter Life Sciences (Russia), Research and Industry Group

16:20-16:50 Solutions from Advanced Microdevices (MDI) for pharmaceutical industries. Single use systems for biotechnology. Customized systems

Andrey Zavarzin, Greenvan LLC (Russia), CEO

16:50-17:00 Discussion & closing remarks
