

## BUSINESS PROGRAMME

### 19.11.2019

|                    |  |   |
|--------------------|--|---|
| <b>10:30-11:00</b> | <b>Presentation<br/>Zone A,<br/>Hall 7</b> | Pharmtech & Ingredients Official Opening Ceremony   |
| <b>11:00-13:00</b> | <b>Presentation<br/>Zone B,<br/>Hall 8</b> | <b>Seminar by Gluvex:</b> Engineering problems. Yesterday, today, tomorrow  |
| <b>12:00-14:00</b> | <b>Presentation<br/>Zone A,<br/>Hall 7</b> | Round table discussion: <b>Total readiness for medicine labelling</b><br><i>Co-organizer: Association of the Russian Pharmaceutical Manufacturers</i> |
| <b>13:10-14:10</b> | <b>Presentation<br/>Zone B,<br/>Hall 8</b> | <b>Seminar by Lonza:</b> Innovative solutions from Lonza for healthcare industry  |
| <b>14:20-15:20</b> | <b>Presentation<br/>Zone B,<br/>Hall 8</b> | <b>Seminar by Swiss Business Hub Russia:</b> Swiss innovative technologies in the pharmaceutical production and packaging industry                    |
| <b>15:00-17:00</b> | <b>Presentation<br/>Zone A,<br/>Hall 7</b> | Round table discussion: <b>Export potential: new growth points</b><br><i>Co-organizer: GMP News</i>   |

### 20.11.2019

|                    |  |  |
|--------------------|--|--|
| <b>10:30-13:30</b> | <b>Conference<br/>Hall L, Hall 7</b>       | <b>Pharmtechprom forum</b><br>Session A – Raw materials and pharmaceutical ingredients   |
| <b>11:00-13:30</b> | <b>Presentation<br/>Zone A,<br/>Hall 7</b> | Discussion session: <b>An effective view on technical support for medicines production</b>   |
| <b>11:00-12:00</b> | <b>Presentation<br/>Zone B,<br/>Hall 8</b> | <b>Seminar by Asahi Kasei Bioprocess Europe:</b><br>PLANOVA Virus Removal Filters  |
| <b>12:10-14:10</b> | <b>Presentation<br/>Zone B,<br/>Hall 8</b> | <b>Seminar by GEA:</b> Centrifuges and package units from GEA for human and veterinary vaccines, starter cultures production, human Blood Plasma Protein fractionation |
| <b>14:00-17:00</b> | <b>Conference<br/>Hall L, Hall 7</b>       | <b>Pharmtechprom forum</b><br>Session B – Technologies and equipment for pharmaceutical production   |
| <b>14:20-16:20</b> | <b>Presentation<br/>Zone B,<br/>Hall 8</b> | <b>Seminar by PALL:</b> Regulatory Compliance. Are you up-to-date with the latest GMP requirements and biopharmaceutical industry best practices?                      |

**14:30-16:30** **Presentation Zone A, Hall 7** Round table discussion: **API production: the economic aspect**

## 21.11.2019

|                    |                                    |  |
|--------------------|------------------------------------|--|
| <b>10:30-13:30</b> | <b>Conference Hall L, Hall 7</b>   | Pharmtechprom forum<br>Session C – Packaging equipment and materials   |
| <b>10:30-</b>      | <b>Presentation Zone B,</b>        | <b>Seminar by Alfa Lab:</b> New criterias of protective clothing selection   |
| <b>11:00-12:00</b> | <b>Presentation Zone A, Hall 7</b> | <b>Seminar by Merck:</b> BioContinuum. Merck Biopharm Continuous Processing Platform   |
| <b>11:40-12:40</b> | <b>Presentation Zone B, Hall 8</b> | <b>Seminar by Alfa Lab:</b> Advanced cleaning solutions with deconex® for the biotech production   |
| <b>12:10-13:10</b> | <b>Presentation Zone A, Hall 7</b> | <b>Seminar by HVD:</b> Third generation QCM biosensors, miniaturized immunoassays & High-throughput screening for R&D and Analytics                                  |
| <b>12:50-13:50</b> | <b>Presentation Zone B, Hall 8</b> | <b>Seminar by NPK "Relsib":</b> Devices and systems of NPK "Relsib" for monitoring the conditions of storage and transportation                                      |
| <b>13:20-14:20</b> | <b>Presentation Zone A, Hall 7</b> | <b>Seminar by Antares Vision:</b> Product inspection & traceability: how interconnection will speed up a new digital standard  |
| <b>14:00-17:00</b> | <b>Conference Hall L, Hall 7</b>   | Pharmtechprom forum<br>Session D – Auxiliary processes in pharmaceutical production  |
| <b>14:00-15:00</b> | <b>Presentation Zone B, Hall 8</b> | <b>Seminar by Fizlabpribor:</b> Practical experience in introducing innovative domestic developments in the pharmaceutical production of biotechnological substances |
| <b>15:10-16:10</b> | <b>Presentation Zone B, Hall 8</b> | <b>"Track &amp; Trace. Future of supply chain management"</b> by Ravil Gimadiev, CEO of Original Group. Book presentation  |
| <b>16:20-17:20</b> | <b>Presentation Zone B, Hall 8</b> | <b>Seminar by Boccard:</b> Plasma Fractionation: best practices for successful technology transfers  |

## 22.11.2019

**11:00-12:00** **Presentation Zone A, Hall 7** Pharmtech Tutor 2019: results
