Business Development Platform Events

218 professional hosted buyers were at Yapi - Turkeybuild Istanbul 2021

As part of the VIP International Hosted Buyer Programs, which are implemented this year as in the previous years, the exhibition hosted 218 professional hosted buyers from 11 countries including **Algeria, Cameroon, Georgia, Israel, Kazakhstan, Kosovo, Lebanon, Nigeria, Sudan, Tunisia, Uganda**. The virtual trade platform Hyve Connect (Matchmaking System) that we have been using since 2018, all exhibitors got into contact with international buyers quickly and effectively via single platform that is free of charge and found the opportunity to initiate new partnerships.

Yapi - Turkeybuild Istanbul Hyve Connect Application

The **Hyve Connect** app provides more productive exhibition for exhibitors, visitors and hosted buyers with pre-scheduled meetings.

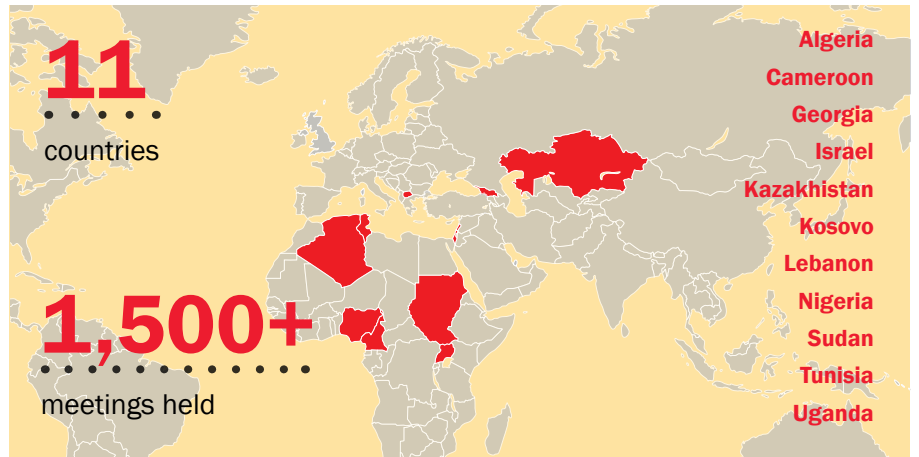

With the **Hyve Connect** application, a total of **1,502** meetings were held between the exhibitors, professional visitors and buyers.

Our firm is Cameroon Projects Sarl, we are here to meet with companies and many person. We are looking forward to making contacts. The organization was very good, we have contacted many companies here. We are very happy to find persons who are interested to develop business with Cameroon between Turkey.

We are very happy, we want to say thank you very much for welcomed us. We are looking forward to coming back next time.
