

May 10, 2017

The exhibition announced its 40th anniversary special event program, which will host famous speakers.

The international summit of the building industry 40th YAPI – TURKEYBUILD ISTANBUL On May, 23-27

The events of YAPI - Turkeybuild İstanbul, which will be held between 23-27 May 2017, are announced. In the events to be organized during the exhibition, many famous names will take part as speakers on subjects like architecture, real estate, new products, new business opportunities, the future of building products, sustainability, job security, design, marketing and career.

Here are the highlights of the exhibition:

- **The world renowned, Indian award-winning architect Anupama Kundoo at Yapı Turkeybuild İstanbul with her Hand Made Architecture Conference!**
- **In the panel moderated by the journalist Ahu Özyurt, the distinguished economist Mahfi Eğilmez and industry leaders will evaluate the economy and business opportunities of the building sector.**
- **North Africa to be hosted in the Guest Region Project...**
- **Ward Massa, co-founder of Stone Cycling, to join the show for the “Waste: The Most Exciting New Building Material of the Future” conference!**
- **PAB Architecture, which is frequently mentioned with its educational structures, shares their work in the conference titled “Material of Alphabet”.**
- **The important building stone of the building sector: REAL ESTATE For Whom?**
- **Murat Şanal to give a speech at YAPI - Turkeybuild on Industrial Innovation, Materials and Architecture.**

Organized by **YEM Exhibitions** and Turkey's first specialized exhibition, YAPI - Turkeybuild İstanbul celebrates its 40th anniversary this year. One of the world's five major building exhibitions and the largest building materials exhibition in the Balkans, the Commonwealth of Independent States (CIS) countries, the Middle East and North Africa, **YAPI – Turkeybuild İstanbul**, will bring 18,640 products from 1,250 participating companies together with 111,000 national and international visitors from 105 countries on a 100.000 m² indoor and an outdoor area this year. The exhibition will be held on May 23-27, 2017 this year.

“North Africa - Turkey Construction Forum and B2B Meetings” to create new business opportunities.

As part of the “Business Development Platform” activities, **YAPI - Turkeybuild İstanbul** welcomes the North African Region countries, which have an accelerating economic growth this year.

The North Africa - Turkey Construction Forum and B2B Meetings, which aim to contribute to the effectiveness of Turkish contractors and material producers in all construction works, especially in the growing public investments in North Africa, which is one of the important markets of Turkish construction sector abroad and to establish platforms to create new business opportunities and incentives for investors in this framework, will be on Tuesday, May 23, 2017 from 14: 30-18: 00. After the forum, bilateral talks with the procurement committee from North Africa will take place

In the event to be held within the scope of the Guest Region North Africa Project, Consul General of Morocco and Consul General of Tunisia, officials from Morocco, Tunisia and Algeria Contractors' Union, officials from Morocco, Tunisia and Algeria Business people association, Head of the Contractors' Association, Chairman of İMSAD, authorities from the Eximbank Loans Department and senior officials from DEİK will take part as speakers.

In the panel moderated by the journalist Ahu Özyurt, the distinguished economist Mahfi Eğilmez and industry leaders will evaluate the economy and business opportunities of the building sector...

“Opportunities for New Openings in the Building Sector” panel hosts all the professionals of the sector as speakers such as investors, contractors, real estate consultants, professional chambers, associations and architects. Moderator of the panel will be TV programmer and journalist Ahu Özyurt. Together with distinguished *economist Mahfi Eğilmez*, **Suzan Usta, Director of Eximbank International Project Credits Department, Turgay Tanes, General Manager of İş Real Estate Investment Trust, Murat Tabanlıoğlu, Tabanlıoğlu Architecture Partner and Ferdi Erdoğan, Chairman of the Board of Directors of Türkiye İMSAD**, will evaluate new developments in the sector.

In the event organized by YEM Exhibitions and The Building Information Center (YEM), issues such as the public, economics, investment and funding which constitute the building blocks of the industry will be on the agenda in order to discuss the possibilities of the market, opportunities for the future and possible new developments. The event will take place on the 24th of May, Wednesday, 11.00-13.00 at the exhibition area.

Ward Massa, co-founder of Stone Cycling, to join the show for the “Waste: The Most Exciting New Building Material of the Future” conference!

Ward Massa, the founding partner of StoneCycling, will give a speech at the fair titled “Waste: The Most Exciting New Building Material of the Future”.

In the days when resources are increasingly consumed, especially architects and designers are looking for ways to discover different aspects of materials, use them most efficiently, make them more robust and recycle them. Ward Massa, who will be the speaker of the conference co-organized by YEM Exhibitions and Arkitera, is leading a significant global movement by creating a cyclical economy with StoneCycling, of which she is founder. The event will take place on the 24th of May, Wednesday, 14.00-15.00 at the exhibition area.

PAB Architecture, which is frequently mentioned with its educational structures, shares their work in the conference titled “Material of Alphabet”.

Based on the experience that PAB Architecture has gained since its inception, the interview focuses on the choice of materials, both indoor and outdoor, where children and young people spend most of their time in daylight, the effects of these choices on space experience and the architecture that they create. They will be talking about their new project and material preferences on competition projects, implementation, design and public construction.

H. Cenk Dereli will moderate the conference which will be co-organized by YEM Exhibitions and NOBON . The event, which will feature Ali Eray and Burçin Yıldırım from PAB Architecture as speakers, will take place on May 25th, Thursday, 11.00-12.00.

The world renowned, Indian award-winning architect Anupama Kundoo at Turkeybuild with her Hand Made Architecture Conference!

Anupama Kundoo, who is known for her researches and experiments on materials, will present a speech titled “Handmade Architecture: Sustainable Buildings with Simple Materials”.

In the days when resources are increasingly consumed, especially architects and designers are looking for ways to discover different aspects of materials, use them most efficiently, make them more robust and recycle them. Organized in cooperation with YEM Exhibitions and Arkitera, Anupama Kundoo is conducting research and experiments on materials to reach an architectural fit with socio-economic context, with low environmental impact. Kundoo also works on urban design and planning projects that deal with the problems of transformation due to rapid urbanization.

*Anupama Kundoo participated in the Venice Architecture Biennial with the projects “Wall House”, which was built by Indian masters in Arsenale in 2012, and “Building Information: a Strategy Inventory” (low budget residence and toilet built on 1:1 scale) in 2016.

The event will be held on May 26th, Friday at the Turkeybuild Exhibition between 11.00 and 12.00.

The important building stone of the building sector: REAL ESTATE For Whom?

“bi_Özet real estate newspaper” columnists will be evaluating the real estate industry in the event where there will be columnists and speakers selected from experts in the “bi_özet real estate” newspaper.

Engin Başaran, TÜDER Honorary President; CPA Ersun Bayraktaroğlu, PwC Turkey Real Estate Sector Leader; Umut Saçan, US Brainworks Real Estate Branding Agency Brand Consultant; Halil İmamoğlu, IAU Lecturer, E. İş Chief Inspector and Class A OSH Specialist; Ayşe Hasol Erkin, President of Urban Land Institute (ULI) and partner of HAS Architecture; Makbule Yönel Maya, General Manager of TSKB Real Estate Appraisal Co., will be discussing the sector at the meeting moderated by **Master Architect Banu Binat.**

The event, co-organized by YEM Fuarçılık - Binat İletişim, will take place on 26 May, Friday, 14.00-16.00 at the exhibition area...

Murat Şanal to give a speech at YAPI - Turkeybuild on Industrial Innovation, Materials and Architecture.

In the event to be moderated by the architect H. Cenk Dereli, the projects of SANALarc, which organizes the architectural studio as a research environment in construction methods, material preferences and design approaches, will be discussed on the axis of industrial innovation, materials and architecture.

The event, which will be co-organized by YEM Exhibitions and NOBON, will take place at Yapi Exhibition on May 27th, Saturday, between 11.00-12.00...

During the exhibition, Participating Companies and NGOs will be providing sector information flow...
